Round 1 Review

Camberwell (82) vs Keysborough (107)

The Camberwell Dragons faced Keysborough on Saturday night at Boroondara. Both teams looking to start the season strong, it was Keysborough who were able to charge away with the win by scoring a commanding 36 points, compared to Camberwell's 21 points in the second quarter. In the team's last two meetings in 2023, Keysborough were able to secure the victory on both occasions. After a mediocre 2023 season, Camberwell continued their search for a win to start the season. Despite Camberwell's Round One loss, they face newly promoted Shepparton in Round 2. A win is crucial next week if Camberwell want to consider themselves championship contenders.

Melbourne University (86) vs Hume (77)

For the final game on Saturday evening, Melbourne University hosted last season's runners-up, Hume. After a momentum-shifting game, Melbourne University were able to come out on top, after an important fourth performance. However, it wasn't all smooth sailing for Melbourne University. Hume looked to be in pole position to run away with the win after outscoring Melbourne University by 9 points in the second term. Hume even saw themselves up by 3 points at the final break before Melbourne University showed their class and shifted the momentum back towards themselves. Assisted by Nicholas Masunda's 23-point contribution, Melbourne were able to runaway with their first win of the season.
